I wish to take this opportunity to express my sincere appreciation for your good offices with respect to my case. Had it not been for your timely assistance and cooperation with Mr. Batrus, my problem would have undoubtedly dragged on for some time, perhaps to my disadvantage.

I would like you to know that I am deeply grateful for your kindness and consideration on my behalf, and when I return to Washington I hope to be able to express my gratitude personally.

STATINTL

Very sincerely yours,
